Dear Parents and carers,

As part of our Middle Phase (Years 2 and 3), we hold a weekly assembly where children have the opportunity to share their achievements.

This assembly is specifically for celebrating accomplishments or achievements from that week. Children who wish to share are invited to stand at the front, show what they have achieved, and talk about it with their peers. This helps to build confidence and celebrate success within our school community.

If your child would like to share an achievement, please inform their class teacher prior to the Thursday assembly so that we can plan accordingly.

Thank you for your continued support.

Kind regards,  
Grace Leach
