

Art/ DT

In art the children will be exploring and experimenting with water colours to re-create Hokusai's The Great Wave. In DT we will plan, prepare and create a sushi dish looking at a variety of ingredients.

Computing

The children will learn to create Vector drawings using different drawing tools to create images. They will recognise that images are created using shapes and lines.

PSHE - Drug education

The children will learn about the different categories of drugs including medicine and learn about the laws related to drugs.

RE - Christianity

We will be learning about the key features of the Christian place of worship. We will also be looking at the similarities between Christianity and our own faiths and beliefs.

PE - basketball and gymnastics

The children will be learning gymnastics and athletic skills in the Summer term.

Under the Sea –Summer Term Year 5

Maths

Shape

Angles - estimating, identifying, measuring and drawing angles on their own and within shapes.

Identifying 3d shapes.

Position and direction

Coordinates and using lines of symmetry

Decimals

Solving calculations with decimal numbers, addition and subtraction. Multiplying and dividing by 10, 100 and 1,000.

Negative numbers

Counting, comparing and ordering negative numbers.

Measure

Science - Forces

The children will be learning about different forces on earth, describing gravity and identifying the effects of air resistance, water resistance and friction that act between moving surfaces.

History

We will be learning about the Vikings, finding out who they were and what made them successful. The children will be discussing what a Viking home looked like and how lots of Vikings worked hard on a farm to provide for their families.

English

Non Fiction - Smart about Sharks, Owen Davey

The children will be reading and discovering information about sharks and looking at the features of writing about sharks leading up to writing non chronological reports.

Poetry - Haiku poetry Children will create their own Haiku poetry

Non -Fiction - Flotsam - By David Wiesner

Persuasive writing - Children will write an advert for the ancient camera.
