Dear Parents

Dear Parents/Carers,

On the Tuesday 3rd November Science Horizons will be visiting the children in year 2, right here at Bushmead school. This is an educational, interactive space experience which supports our new Space topic Explorers! The children will experience the topic of space in ways that are exciting, enhance learning and provide an unforgettable experience. Children will take part in many activities to learn about the space race, rocket launching, phases of the moon and meteorites.

Yours sincerely

Year 2 team.
